Dear Family & Friends;

Welcome to the Family Program at the Farm. I am very excited to share some information that I hope will make your experience in treatment pleasant and successful.

You will find enclosed in this folder:

- *Family Program Overview*
- *Farm Rules*

Please review both of these documents carefully, because if you plan to participate in treatment you will be required to sign statements of understanding of all program rules and the family services available. A treatment contract will also be created and signed during your orientation on the Farm.

There are a few other resources for you to look over and help you become familiar with the concepts and language of recovery.

- *What Is Substance Abuse Treatment: A Booklet for Families*, from the U.S. Department of Health and Human Services
- *Addiction Tip Sheet – Six Skills for Families and Significant Others Who are Affected by Someone Who Abuses Substances*
- *Al-Anon Faces Alcoholism 2011*

I look forward to working with your family. Please contact me with any questions or concerns and to set up your orientation on the Farm.

Sincerely,

Caryn White, LMSW, CASAC
Family Therapist
